

Create Diagrams with Clipart and Text Boxes

Instructions:

1. Search for animal clipart to create your diagram. Use text wrapping if necessary to move the clipart easily.
2. Insert all the text boxes for Head, Shoulders, Knees, and Toes. Type your text inside the text boxes.
3. Change the font size to 24. Change the font style and color.
4. Can you add your name in a new text box?
